Here is a good young cow. She comes from the famous Thomas herd in Manitoba. She is safe in calf to Green Bluff Thor a maternal brother to the Green Bluff Bull that A.B.S. had. A real sale attraction.

Duke of Windsor X: Nothing we can say about this herd bull will do him justice. We hate to let him go, but we will have to or do inbreeding on his daughters. He has done a very fine job for us. He weighs about 1700 in thin condition, and with our rocky farm, that's the way we keep him to protect his feet. You'll just have to see him to really believe what a good bull he is. If you are looking for a bull that can weigh a ton and passes all his good qualities on to his offspring, you'll want this proven sire on your farm.
